Dear Friends,

Welcome to the Poland Spring Heritage Day and Strawberry Festival! This event will be held on June 22, 2019 (rain or shine) from 9:30 am to 3pm at the Poland Spring Resort. The Strawberry Festival is a fundraiser for the Poland Food Bank, and they will be serving everything strawberry!

We have hosted this event for over 10 years! We are extremely proud to continue our partnership with the Town of Poland and other entities, making this a community-wide event. As in the past we will have musical entertainment, kid's games, historic tours and much more. This year there will be a 5k in memory of Dennis Sampson, local law enforcement officer, a petting zoo and more! We expect more than 2,000 people in attendance! Probably the most visible aspect of the event is the inclusion of community organizations, local businesses and craft vendors. If you would like to participate please fill out the enclosed vendor application form to reserve your space. Please note we are not accepting food vendors. You will find the price per space, cost for tables and electricity (if you need them) on the form. As space is very limited please return the form to us by June 1st, 2019.

While all entities are encouraged to promote their organization or business, we host this event to celebrate the area's heritage and to provide an opportunity for fundraising. The money raised helps to preserve and maintain the Maine State Building and All Souls Chapel and funds this and future events for the community.

The Society is a 501(c) 3 nonprofit and both the Maine State Building and All Souls Chapel are listed on the National Register of Historic Places. If you have questions about the day's event or PSPS, please contact us at 998-4142 or via email at [contact@polandspringmuseums.org](mailto:contact@polandspringmuseums.org).

Sincerely yours,

Laura Brown
